## NOTIFICATION

### *Corrigendum*

The following communication, dated 7 November 2023, is being circulated at the request of the delegation of the United States of America.

---

#### Performance Requirements for Residential Gas Furnaces and Boilers

On 25 October 2023, the Commission published a [notice of proposed rulemaking](#) (NPR) to address dangerous levels of carbon monoxide production and leakage from residential gas furnaces and boilers. That document contained a typographical error in the preamble. This document corrects that error.

This correction and previous actions notified under the symbol [G/TBT/N/USA/1520](#) are identified by Docket Number CPSC-2019-0020. The Docket Folder is available from Regulations.gov at <https://www.regulations.gov/docket/CPSC-2019-0020/document> and provides access to primary and supporting documents as well as comments received. Documents are also accessible from [Regulations.gov](#) by searching the Docket Number.
