Description: On 29 March 2024, the California Energy Commission (CEC) published the Notice of Proposed Action (NOPA) (notified as [G/TBT/N/USA/1336/Rev.1](#)) with proposed amendments to the Building Energy Efficiency Standards contained in the California Code of Regulations (CCR), Title 24, Part 6 (also known as the California Energy Code) and associated administrative regulations in Title 24, Part 1, Chapter 10 (collectively called the Express Terms). The CEC made all the documents

¹ This information can be provided by including a website address, a pdf attachment, or other information on where the text of the final/modified measure and/or interpretive guidance can be obtained.

available for a 45-day public comment period ending 13 May 2024, and held three lead commissioner public hearings on 16, 17, and 18 April 2024.

Based on comments received during the 45-day comment period and the lead commissioner public hearings, the CEC is proposing changes to the original proposed Express Terms, and the public is invited to submit written comments during a 15-day comment period from 13 June through 28 June 2024. Any interested person may submit written comments to the CEC for consideration on or prior to 28 June 2024. The CEC appreciates receiving written comments at the earliest possible date. Comments submitted outside this comment period are considered untimely. CEC may, but is not required to, respond to untimely comments.

Proposed 15-Day Regulatory Language:
