

NOTIFICATION

Addendum

The following communication, dated 1 October 2024, is being circulated at the request of the delegation of the United States of America.

Title: Energy Conservation Program: Energy Conservation Standards for Miscellaneous Refrigeration Products

Table with 2 columns: checkbox and text. Rows include: Reason for Addendum, Comment period changed, Notified measure adopted, Notified measure published (7 May 2024), Notified measure enters into force (4 September 2024), Text of final measure available from (with URL), Notified measure withdrawn, Content or scope of notified measure changed, Interpretive guidance issued, and Other.

Description: Confirmation of effective and compliance dates; technical correction - The U.S. Department of Energy ("DOE") published a direct final rule (notified as G/TBT/N/USA/1215/Rev.1/Add.1) to establish new energy conservation standards for miscellaneous refrigeration products in the Federal Register on 7 May 2024. DOE has determined that the comments received in response to the direct final rule are not adverse and, thus, do not provide a reasonable basis for withdrawing the direct final rule. Therefore, DOE provides this document confirming the effective and compliance dates of those standards. This document also corrects an error in the amended regulatory text as it appeared in the direct final rule published on 7 May 2024.

The technical correction in this document is effective 30 September 2024. The effective date of 4 September 2024, for the direct final rule published 7 May 2024 (89 FR 38762) is confirmed.

1 This information can be provided by including a website address, a pdf attachment, or other information on where the text of the final/modified measure and/or interpretive guidance can be obtained.

Compliance with the standards established in the direct final rule will be required on 31 January 2029.
