Description: The U.S. Department of Energy ("DOE") published a direct final rule to establish amended energy conservation standards for consumer clothes dryers in the Federal Register on 12 March 2024 (notified as [G/TBT/N/USA/1911/Add.1](https://members.wto.org/crnattachments/2024/TBT/USA/1911/Add.1)). DOE has determined that the comments received in response to the direct final rule do not provide a reasonable basis for withdrawing the direct final rule. Therefore, DOE provides this document confirming the effective and compliance dates of those standards. This document also clarifies the introductory notes to the appendices for

¹ This information can be provided by including a website address, a pdf attachment, or other information on where the text of the final/modified measure and/or interpretive guidance can be obtained.

the consumer dryer test procedure to conform with the amended standards promulgated by direct final rule published on 12 March 2024.

The technical correction in this document is effective 8 October 2024. The effective date of 10 July 2024 for the direct final rule published on 12 March 2024 ([89 FR 18164](#)) is confirmed. Compliance with the standards established in the direct final rule will be required on 1 March 2028.
