NOTIFICATION

Addendum

The following communication, dated 21 October 2024, is being circulated at the request of the delegation of the United States of America.

Title: Energy Conservation Program: Energy Conservation Standards for Consumer Furnace Fans

Table with 2 columns: Reason for Addendum and details. Rows include: Comment period changed, Notified measure adopted, Notified measure published (18 October 2024), Notified measure enters into force (18 November 2024), Text of final measure available from (with URL), Notified measure withdrawn or revoked, Content or scope of notified measure changed, Interpretive guidance issued, and Other.

Description: The Energy Policy and Conservation Act, as amended ("EPCA"), prescribes energy conservation standards for various consumer products and certain commercial and industrial equipment, including consumer furnace fans. EPCA also requires the U.S. Department of Energy ("DOE") to periodically review its existing standards to determine whether more-stringent, amended standards would be technologically feasible and economically justified, and would result in significant energy savings. In this final determination, DOE has determined the energy conservation standards for consumer furnace fans do not need to be amended.

The effective date of this final determination is 18 November 2024.
