Description: The Environmental Protection Agency (EPA) is partially waiving the 2024 cellulosic biofuel volume requirement and revising the associated percentage standard under the Renewable Fuel Standard (RFS) program due to a shortfall in cellulosic biofuel production. This action also makes a minor revision to the biogas provisions of the RFS program.

This rule is effective on 5 September 2025. The incorporation by reference of certain other material listed in the rule was approved by the Director of the Federal Register as of 11 September 2023.
