| <p><b>6. Description of content:</b> Amendment 01:2026 to QCVN 10:2012/BCT (National Technical Regulation on Safety of Supply Stations for Liquefied Petroleum Gas) covers:<br/>- Abolition of all conformity assessment, conformity certification, declaration of conformity and inspection requirements, on the grounds that LPG supply stations constitute fixed installations and are no longer classified as products/goods subject to product quality management under Law No. 78/2025/QH15 and Decree No. 37/2026/ND-CP<br/>- Technical requirements on design, installation and operation safety (Article 12) remain unchanged;<br/>Updated management responsibilities in line with Decree No. 37/2026/ND-CP and Government Resolution No. 68.18/2026/NQ.CP</p>  |

**7. Objective and rationale, including the nature of urgent problems where applicable:** Comply with the provisions of Law No. 78/2025/QH15 on Product Quality, which removes LPG supply stations from the scope of product-based conformity management; and to ensure the continued safe design, installation and operation of LPG supply stations in residential and industrial areas.; Protection of human health or safety

**8. Relevant documents:**

- \* Law on product quality;
- \* Decree No. 37/2026/ND-CP dated January 23rd, 2026 of the Government;
- \* Decree No. 22/2026/NĐ-CP dated January 16th, 2026 of the Government.

**9. Proposed date of adoption:** To be determined

**Proposed date of entry into force:** To be determined

**10. Provision of comments**

**Final date for comments:** 22 July 2026 (30 days from notification)

**60 days from notification**

**Contact details of agency or authority designated to handle comments regarding the notification:**
