Description: As required by the Paperwork Reduction Act of 1995 (PRA), the Consumer Product Safety Commission (CPSC or Commission) announces that the Commission has submitted to the Office of Management and Budget (OMB) a request for extension of approval of information collection requirements associated with the Safety Standard for Button Cell or Coin Batteries and Consumer Products Containing Such Batteries. OMB previously approved the collection of information under control number 3041-0195. OMB's approval will expire on 31 October 2026. On 15 June 2026, CPSC published a [notice](#) in the Federal Register (notified as [G/TBT/N/USA/1964/Add.5](#)) to announce the agency's intention to seek extension of approval of the collection of information. The Commission received three public comments. By publication of this notice, the Commission announces that CPSC has submitted to OMB a request for extension of approval of that collection of information.

Submit comments on the collection of information by 4 November 2026.
